year 2022/2023**

You are kindly reminded that the language courses will begin in the 2022/2023 summer semester.

The language groups will be formed based on the “matura” or other school leaving examination certificates.

The enrolment procedures as well as certificate registration will commence on the 16th January 2023. Detailed information about the registration forms and SJO online registration will be sent in January 2023.

I. Students who will participate in language classes (do not have a B2 or higher (CEF scale) foreign language certificate)

Unless otherwise stated in the faculty regulations, the language studied in the compulsory course will be the one chosen at the school leaving examination. Students who took their school leaving examinations in two languages may choose their language course, e.g. students who passed their exams in English and French may declare their willingness to take a course in English or in French.

II. Students who have a B2 or higher (CEF scale) foreign language certificate not older than 3 years on the day the course begins (i.e. not older than February 2020) listed in Appendix 2 to the AGH Senate Resolution no. 57/2019 of 24th April 2019. ([list of certificates](#)).

Undergraduate students who have a certificate listed in Appendix 2 to the AGH Senate Resolution no. 57/2019 dated 24th April 2019, may submit an application

to be exempted from the foreign language course and the exam and their final grade will be awarded based on the certificate.

After registering the certificate, the students **may participate** in an **optional** foreign language course either continuing the language listed in the certificate or choosing another language – within the limit of 135 teaching hours (at any level, including beginners), without the obligation to pass an exam.

In such cases, **this information is to be provided in the student's online declaration.**
